

HHS STUDENT ID POLICY

School Year 2008/2009

For the safety and security of our school community, ALL STUDENTS are required to wear their student ID in an appropriate and visible location (around neck or shirt). Proper use of ID will help to foster a safe and secure environment where optimal learning takes place.

If a student FAILS to have his/her ID, he/she will NOT BE ABLE to access school services in the Main Office, Guidance Office, Attendance Office, Health Office, Library, Cafeteria, Deans Office, Department Chairs, Drop-In Center, Special Services/ICC Office.

Building “sweeps” will be conducted (regularly) and students caught not wearing or having their ID will receive a Saturday School. Further non-compliance will result in suspension and parental conference.

All students will receive an ID FREE at the start of the school year.

ID cards will be required to participate in all school activities and/or attend athletic events, even when these activities/sports events take place after school hours.

Please note: Replacement ID cards will be available in EDP on Wednesdays from 11:00am to 12:00pm at a cost of \$5.00 (card/lanyard), \$1.00 (lanyard only).
