## **The Vic Alasio Memorial Scholarship 2009**

### **Background**

**The Bergen County Bagna Cauda Society is a social organization comprised of men of goodwill from the Northern New Jersey and surrounding areas. The Society was formed over 17 years ago by a group of men of Italian Descent from Cliffside Park. Our original purpose was to meet once each year for a meal of traditional Italian foods. The Society has grown over the years to the point where we are pleased to offer the "Vic Alasio Memorial Scholarship" to a deserving High School Senior in honor of our Society's founder.**

**Vic Alasio was a man who had a great appreciation of his Italian heritage. So much of his time was devoted to sharing his love of the Italian culture with his friends and family. He often traveled to Italy with his friends and family to experience first hand the great traditions and history he and his family descended from. Vic began the Bergen County Bagna Cauda Society over 16 years ago as a tribute to his heritage and it is in honor of his lasting memory that we offer this Scholarship.**
